MEASURING 7:15AM WALK THRU START AT 7:15AM

WE MAY START EARLIER THEN 8AM IF EVERYONE IS CHECKED IN AND READY

LINE UP FOR YOUR RUN: The gate steward will be giving directions on when to move up and when to go in the ring. ALL DOGS MUST ENTER THE RING ON LEASH, STAY ON LEASH UNTIL THE PREVIOUS DOG LEAVES THE RING

After you run, please leave the area as quickly as you can without disturbing your dog. Your leash will be in the EXIT chute after you leave the ring.

PLEASE DO NOT LET YOUR DOG RUN BACK TO THEIR CRATE WITHOUT YOU AT THE END OF THE LEASH. THIS HAS BECOME A SAFETY ISSUE AND WILL BE HANDLED APPROPRIATELY PLEASE DON'T MAKE US DO ALL THE PAPERWORK THAT CPE REQUIRES ON AN INCIDENT REPORT. This is easy just watch your dog, and always have control which means short leash and you at the end of that leash...

RESULTS & RIBBONS: Results will be posted in binders at ribbon pickup. Ribbons and labels will also be at that location.

PLEASE take your labels and check the results posted, taking pictures of the results page is recommended. CPE will not change errors after the trial.

CRATING: Remember to bring ground cover for both your chairs and crates

EXERCISING YOUR DOG: EXERCISE YOUR DOG RESPONSIBLY & ON LEASH!
AS ALWAYS PLEASE PICK UP AFTER YOUR DOG
